Global Health Partner (“GHP”)

Global Health Partner (“GHP”) announces completion of the acquisitions of Dental Implants and Gothenburg Medical Centre (“GMC”) with a revision to the % interest acquired in GMC

Both of the deals have now been completed and the respective financing put in place in each case. In respect of the Dental Implants transaction there are no material differences from the original acquisition announcement.

GHP announces that it has decided during the completion process of the acquisition of GMC to increase its ownership position to 100% of GMC shares. Total consideration of £903k in cash was paid for this interest at closing on September 29, 2006.
