GLOBAL HEALTH PARTNER PLC

Issue of 266,355 New Ordinary 50p shares

Global Health Partner PLC (“GHP”) notifies the market that, in connection with an internal reorganization of shareholdings in its subsidiary Gothenburg Medical Clinic AB (“GMC”), GHP has agreed to issue 266,355 new ordinary 50p shares of GHP, at a value of 130 pence per share, to certain clinician owners in exchange for their GMC shares. These GMC shares were originally acquired by them as part consideration for GHP’s acquisition of 100 per cent. of IFK (Leif Sward Orthopedi AB) on 18 April, 2007.

Application has been made for the shares, which will rank pari passu with all existing ordinary shares, to be admitted to trading on AIM. This is expected to occur on Tuesday 22 July, 2008.

As of 22 July, 2008 the total number of ordinary 50p shares with voting rights will be 56,142,488.

The above revised figure may now be used by shareholders as the denominator for the calculations, by which they will determine if they are required to notify their interest in, or change to, their interest in GHP, under the FSA’s Disclosure and Transparency Rules.
